Core Skills: Requirement Gathering, Stakeholder Management, Process Mapping, Client Communication

PROFESSIONAL EXPERIENCE

Business Development Executive

Qenomy Digital LLP — IT Company | Feb 2026 – Present | Ahmedabad

- Designed and implemented automation workflows using GoHighLevel (GHL) for lead nurturing, client onboarding, and sales funnel management
- Analyzed client business requirements and mapped appropriate IT/software solutions, acting as a bridge between clients and the tech team
- Managed CRM pipelines, tracked KPIs and conversion metrics, and prepared weekly performance reports using Excel
- Identified process inefficiencies and recommended automation-based improvements to reduce manual workload

Business Development Executive

ODA Class — EdTech (K-10) | Apr 2025 – Jan 2026 | Ahmedabad

- Conducted product demo sessions and discovery calls to understand client needs and recommend suitable EdTech solutions
- Maintained structured lead data in CRM and generated weekly conversion and pipeline reports for management review
- Relayed customer feedback to product and academic teams, contributing to platform improvements
- Consistently met monthly closure targets through consultative selling and solution-based approach

Business Development Intern

Golden Gate Technolabs — IT Company | Nov 2024 – Mar 2025 | Ahmedabad

- Supported lead generation, outreach, and business proposal documentation for software clients
- Gained hands-on exposure to SDLC, IT solution selling, and functional requirement documentation
- Assisted in preparing client communication summaries and requirement reports for the sales team
